

BIOME DT

Item No. 92645

28 sachets

Biome DT is a patent-pending drink mix that combines psyllium, broccoli, inulin, glutamine, and zinc to support microbiome purification for a new beginning to Elite Health. Biome DT is gluten-free and vegetarian-friendly and utilizes distinct pathways support the microbiome.

BENEFITS

- Zinc contributes to the protection of cells from oxidative stress
- Zinc contributes to the normal function of the immune system

KEY INGREDIENTS

- Sodium copper chlorophyllin
- Broccoli
- Inulin (soluble fiber)
- Glutamine
- Psyllium
- Zinc

RECOMMENDED USE

Mix 1 sachet (1 serving) with 135–250 ml of water. Drink 4 servings per day for the one-week Purify program or 2 servings per day for the one-month maintenance Purify program. Does not require refrigeration. Store in a cool, dry place.

WHY PURIFY?

The microbiome suffers due to toxic environments, nutrient-stripped foods, and a stressful, sedentary lifestyle.

This suffering results in an unhealthy balance of good and bad bacteria, which ultimately impacts other systems in the body.

PURIFY KIT

The Purify Kit includes a one-week supply of clinically formulated nutrition for the microbiome. Use these carefully engineered supplements and adhere to the dietary guidelines to support your microbiome and begin your journey to Elite Health.

**As with any nutritional product, please consult your physician before use, especially if pregnant, lactating, or have a known medical condition. This product is not intended to diagnose, treat, or prevent any disease.*

ABOUT SYNERGY ELITE HEALTH PRODUCTS

Elite Health is the pinnacle of wellness, where age does not dictate ability. Scientifically, Elite Health is optimal metabolic function, the state in which all body systems are performing efficiently, which gives you the energy to see more, do more, and be more, no matter what stage of life you're in.

Recent scientific discoveries have uncovered a fascinating inner-ecosystem within each of us called the microbiome. This complex network of bacteria, fungi, and microflora resides primarily in the gut and impacts the health of other systems in the human body. Synergy WorldWide has carefully engineered proprietary solutions: Purify, Fortify, and Protect. Each solution begins with the microbiome.
